Hi Jeff,

The Regional Board is requiring that you respond to the Order on company letterhead and address each item listed in the Order. Also you must submit the signed statement on page 3 of the Order certifying your response.

You can email me a pdf of the letter as well.

Thank you,

Josh

Hi there, my name is Jeff Cox and I operate Crazy J Oil. Sorry I am late with this. With regards to the Kerri-Nicole lease, I am not aware of any sumps or discharges. Depending if the lease is functional, (currently shut down), we can make 0 to 344 bbl a year. I am currently working with Anterra to haul waste water to its Oxnard facility. Thanks and let me know if you have any questions.
